Chrome exhaust tip

## Electrical

Roof running light kit

Bed cargo light kit

Integrated trailer brake module

Lightforce 170 Striker driving lamp

Lightforce 240 Blitz HID driving lamp

Nighthawk driving lamp wiring loom kit

## Bed Products & Cargo Management

Bedliner

Tailgate liner

Bed rug

Soft tonneau cover

Hard folding tonneau cover

Tri-folding tonneau cover

Electric bedlocker

Snug lid

Snug top canopy

Bed step

Tie down hooks

## Bed Products & Cargo Management

Bed extender

Toolbox

Bed divider

Bicycle carriers

Cargo basket

Sport utility bars

Bed racks

Cargo ramps

## Ride, Performance & Safety

Banks monster performance dual exhaust system

Banks monster performance single exhaust system

Battery blanket

## Ride, Performance & Safety

Economometer

Roadside safety kit

Rear airbag package

Rear airbag controller & compressor package

## Towing

Heavy duty towbar

Hi-Jacker fifth wheel hitch

Gooseneck hitch

Front tow hooks

## OTC3109 Trilingual OBD II/EOBD & CAN Scan Tool

### Introducing the next generation of scan tools.

Get scan tool features at a code reader price. Live Data allows the user to view vehicle sensor, switch and relay inputs in real time, while the engine is running. This information helps pinpoint problem components for a faster diagnosis. Additionally, the OTC3109 displays all 9 modes of OBD II data and meets European OBD standards.

### OBD II information available:

- Read and display LIVE sensor data
- Displays generic and enhanced definitions on screen
- Read and display MIL status
- Read and erase diagnostic trouble codes
- It will give visual indication when the tool is trying to communicate and retrieve data from an OBD II vehicle
- Read and display I/M monitors (emissions)
- Read and display pending DTCs
- Read and display freeze frame data (snap-shot of vehicle data at the time of the fault)
- Read and display VIN number, CVN and Cal ID
- Display State OBD check
- Display OBD II Drive Cycle Mode
- Read and display O2 Monitor Test
- Read and display Diagnostic Monitor Test
- Read and display On Board Systems

### Additional Features:

- Over 15,000 code definitions for comprehensive coverage
- Field updateable via USB port for future expansion
- EOBD compatible (European On Board Diagnostics) - EOBD is the European equivalent of the American OBD II standard, which applies to petrol cars sold in Europe from 2001 and diesel cars 2004 and newer
- CE certification - The CE marking certifies that a product has met EU consumer safety, health or environmental requirements.
- Trilingual menu, manual and definitions (English, Spanish, French)

**USB Port:** for receiving online updates
